About Me

Saba Musavi

Graphic Designer, Illustrator
Content Manager

Saba Musavi was born in 2001 in Tehran. She studied graphics throughout high school. Saba started working as an illustrator in 2017 when she was studying at high school.

In 2019 she entered the Soore university of arts and studied graphics for about four years. She added graphic design to her work too and continued working as a freelancer.

After about 4 years of being a freelancer, she decided to experience teamwork. In 2021 She started working for Limooome Company as a graphic designer, illustrator and content producer.

Then she entered newer spaces of graphic design and started working for Shabahng Architecture office as a Graphic designer and content manager. She's looking for new experiences.
