

ARIAN EKHTYARDINI

VIDEO EDITOR

Resumes are overrated. I could talk about my journey, but my portfolio says it all. One edit hit 5M+ views, and client projects got 20M+ views in 3 months. I've been known as a top editor in my town and province, working with top-tier creators. A strong edit is clean, concise, and gets the job done.

EXPERIENCE

SENIOR EDITOR

Naro team

06/2024 - 01/2025

- Enhanced Naro team client visibility through refined editing techniques
- Attracting more clients via improved editing
- exceeding editor duties and contributing to brand growth during meetings
- cooperated with the other teams to ensure quality

FREELANCER

Editor as Outlaw edit

01/2025 - Current time

- Edited 100+ short-form videos for YouTube, TikTok, and Instagram using Premiere Pro and After Effects
- Helped YouTubers and personal brands go viral — some videos reached 1M+ views
- Delivered motion graphics, captions, sound design, and viral pacing optimized for audience retention

NOTE: I've had YouTube channel and many other experiences before being a senior editor in Naro team but let's don't make the CV crowded
